## GERATY'S FROST-PROOF FREE CABBAGE PLANTS

Everyone who has a garden wants Cabbages. They need little space—a foot or so apart—and a garden as "big as a handkerchief" has room for at least a hundred plants. We have just made an arrangement with the biggest Cabbage Plant growers in the country—Wm. C. Geraty Co., Youngs Island, S. C., to furnish us with extra choice "Frost-Proof" plants, which we are going to give away free. These plants are grown on an island just off the coast, where the brisk, cold breezes of the Atlantic make them tough, hardy and healthy. The big advantage is that you can plant them in the field a month or six weeks earlier than home-grown plants, which means solid heads three or four weeks earlier.

These "Frost-Proof" plants are guaranteed to stand a temperature of ten degrees above zero without injury. Geraty's "Frost-Proof" Cabbage plants are harder, better, and worth more than the ordinary plants. We are so sure of this that we agree to refund the full value of the plants—35 cents a hundred—if they are not satisfactory and do not produce earlier and better heads than you grow from other plants—you be the judge.

Geraty's "Frost-Proof" Cabbage plants will be shipped direct to you from Youngs Island at the proper time for planting in your territory. Send us the coupon with the price of the subscription; we will order the plants.

### Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a running ear or imperfect hearing and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness cured by our Catarrh Cure. Sold by Druggists, 75c. Take Hall's Family Pills for constipation.
